(Hollander and Connelly)

Falling in love again
Never wanted to
What am I to do?
Can't help it
Love's always been my game
Play it how I may
I was made that way
Can't help it

Girls cluster to me
Like moths around the flame
And if their wings burn
I know I'm not to blame

Falling in love again
Never wanted to
What am I to do?
Can't help it

Girl's cluster to me
Like moths around the flame
And if their wings burn
I know i'm not to blame

Falling in love again
Never wanted to
What am I to do
Can't help it
