I used to jump when you called  
And I would cry when you leave  
I had to plan every move  
Just to keep you pleased

But I don't care no more  
About nothing you do

Now I'm goin' shoppin'  
Finger, fingerpoppin' on you

I got bags under my eyes  
From losin' sleep  
You gave me malnutrition  
'Cause I just couldn't eat

But I don't care no more  
About nothin' you do

'Cause I'm goin' shoppin'  
Finger, fingerpoppin' on you

You never bought me no clothes  
I had to steal what I wear  
I wore shoes so long  
'Til my feet were bare

But I don't care no more  
About nothin' you do, oh no

And I'm goin' shoppin'  
Finger, fingerpoppin' on you

Finger, fingerpoppin'  
Finger, fingerpoppin'  
Finger, fingerpoppin'  
Finger, fingerpoppin'

Hey and I'm goin' shoppin'  
Finger, fingerpoppin' on you

Finger, fingerpoppin'

Finger, fingerpoppin'  
Finger, fingerpoppin'  
Finger, fingerpoppin'

And I'm goin' shoppin'  
Finger, fingerpoppin' on you, you, you

Finger, fingerpoppin'  
Finger, fingerpoppin'  
Finger, fingerpoppin'  
Finger, fingerpoppin'

Yeah and I'm goin' shoppin'  
Finger, fingerpoppin' on you

Finger, fingerpoppin'  
Finger, fingerpoppin'  
Finger, fingerpoppin'  
Finger, fingerpoppin'

And I'm goin' shoppin'  
Finger, fingerpoppin' on you

Finger, fingerpoppin'  
Finger, fingerpoppin'  
Finger, fingerpoppin'  
Finger, fingerpoppin'

And I'm goin' shoppin'  
Finger, fingerpoppin' on you
