Tick, tick, time, it don't mean nothing
Evil eye me high above
Tick, tick, time and time is money
Deep inside you can't deny my love

Gemini moon
Gemini moon

Tick, tick, time, o, mad desire
Black cat bone moanin'
Tick, tick, time, o, light the fire
Deep inside you can't deny my love

The hanged man card
The sacrifice
The change of heart

Gemini moon
Gemini moon

Tick, tick, time, the toil and trouble
Jet black coal, my soul on fire
Tick, tick, time, my mind is rocking
Deep inside you can't deny my love

My love
Gemini moon
My love
Gemini moon, my love

My love
Gemini moon, my love
Gemini moon, my love
Gemini moon
