Don't you ever feel sad  
Lean on me when the times are bad  
When the day comes  
And you are down  
In a reveal of trouble  
And bite the ground  
Hold on I'm coming  
Hold on I'm coming  
Hold on I'm coming

I was always be your lover  
If you get cold I'll be your cover  
Don't have to worry, don't have to fear  
You don't have to suffer baby  
'Cause I'm here  
Hold on I'm coming  
Hold on I'm coming  
Hold on I'm coming

Reach out to me for satisfaction  
Just call my name for quickly action
