You must leave now, take what you need you think will  
last

But whatever you wish to keep, you better grab it fast  
Yonder stands your orphan with his gun  
Crying like a fire in the sun

Look out, the saints are comin' through  
And it's all over now, baby blue

The highway is for gamblers, better use your sense  
Take what you have gathered from coincidence  
The empty-handed painter from your streets  
Is drawing crazy patterns on your sheets

This sky, too, is folding under you  
And it's all over now, baby blue

All your seasick sailors, they are rowing home  
All your reindeer armies, they are going home  
The lover who just walked out your door  
Has taken all his blankets from the floor

The carpet, too, is moving under you  
And it's all over now, baby blue

Leave your stepping stones behind, something calls for  
you  
Forget the dead you've left, they will not follow you  
The vagabond who's rapping at your door  
Is standing in the clothes that you once wore

Strike another match, go start anew  
And it's all over now, baby blue

And it's all over now, baby blue  
And it's all over now, baby blue  
And it's all over now, baby blue
