This suspense is killing me  
I can't stand uncertainly  
Tell me now I've got to know  
Whether you want me to stay or to go  
Love me or leave me  
Or let me be lonely  
You won't believe me, I love you only  
I'd rather be lonely  
Then happy with someone else  
You might find the night time  
The right time for kissin'  
But night time is my time  
For just reminiscin'  
Regrettin' instead of  
Forgettin' with somebody else  
There'll be no one  
Unless that someone is you  
I intend to be independently blue  
I want your love  
But I don't want to borrow  
To have it today to give back tomorrow  
For my love is your love  
There's no love for nobody else
