I remember just before we met
That every night and day
I had to live the life of a lonely one

I remember meeting you
Discovering love could be so cool
When it's shared by two instead of the lonely one

When you said you love me
We could not be parted
Said, I build my world around you
I'm so thankful that I found you

Because loving you has made my life sweeter than
ever
I never felt like this before
Loving you has made my life so much sweeter than
ever

Each night I said, we'd never part
For all the love within my heart grows stronger
From day to day

As best I can, and how I try
To reassure you and satisfy
'Cause I'd be lost if you went away

'Cause I really need you
And I need for you to need me too
I have built my world around you
I'm so thankful that I've found you

'Cause loving you has made my life sweeter than ever
Yes, loving you has made my life so much sweeter than
ever

'Cause I really love you
Girl, I'm thankful that you love me too
I have built my world around you
And I am truly glad, I found you

Because loving you has made my life sweeter than

ever
Yes, loving you has made my life so much sweeter than
ever
I never felt like this before
Loving you has made my life so much sweeter than
ever
Than ever, than ever
Loving you has made my life so much sweeter than
ever

Oh, loving you, is sweeter than ever
'Cause loving you, is sweeter than ever
