Do I ever wonder?
More than words can say
Heaven knows it's hard enough to pray
Let me tell you something
There's a change in me
Even now you're gone you'll always be
My only love

Does it seem so funny
For a fool to cry?
Do you know the meaning of goodbye?
There's a river flowing
By a willow tree
When you need to know remember me
My only love

Let me tell you something
More than words can say
But they're all I have, no other way
There's a river flowing
By a willow tree
When you find you're there remember me
My only love
