Didn't I make you feel like you are the only one?
Didn't I give you everything that I possibly can?
But Lord, the love I give you it's never enough
But I'm gonna show you baby that I really can be tough

So come on, come on, come on, come on take it
Take another little piece of my heart now, baby
Break it, break another little bit of my heart now, honey
Have it, have another little piece of my heart now, baby
You know you've got it if makes you feel good

You're out on the street looking good
And you know deep down in your heart that it ain't right
You never, never hear me when I cry at night
I tell myself that I can't stand the pain
But when I hold you in my arms, I sing it again

So come on, come on, come on, come on take it
Take another little piece of my heart now, baby
Break it, break another little bit of my heart, honey
You can have it, have another little piece of my heart
now, baby
You know you've got it if makes you feel good

Take it, can you take another little piece of my heart
now, baby?
Break it, break another little piece of my heart now,
honey
Have it, have another little piece of my heart now, baby

Take it, take another little piece of my heart now, baby
Break it, break another little bit of my heart now, honey
Have it, have another little piece of my heart now, baby

Take it, take another little piece of my heart now, baby
Break it, break another little bit of my heart now, honey
Have it, have another little piece of my heart now, baby
Take it, take another little piece of my heart now, baby
