Have you heard that rumor
That's going around?
You got it made
Way across town

It's the same old story
Tell me where does it end?
Yes, I heard the news
It's the same old blues again

When I wrote you a letter
You must have read it wrong
I stood at your doorway
But you was gone

I took a lot of time
And let the telephone ring
It's the same old blues
Same old blues again

When you give me the business
Well, it did in your mind
'Cause I've got a lot of patience
And I got a lot of time

It's the same old story
Tell me where does it end?
It's the same old blues
The same old blues again
I said, it's the same old blues
The same old blues again

I'm gonna find me a mountain
I'm gonna hide out
I ain't talking to you
And I ain't yet coming out

'Cause I heard that rumor
Tell me where does it end?
Yes, I heard the news
It's the same old blues again
Yes, I said, It's the same old blues

The same old blues again
