Tell her I'll be waiting  
In the usual place  
With the tired and weary  
And there's no escape

To need a women  
You've got to know  
How the strong get weak  
And the rich get poor

Slave to love  
Oh, oh, slave to love

You're running with me  
Don't touch the ground  
We're the restless hearted  
Not the chained and bound

The sky is burning  
A sea of flame  
Though your world is changing  
I will be the same

Slave to love  
Oh oh, slave to love  
Slave to love  
Na na na na, na na na na  
And I can't escape, I'm a slave to love

Can you help me?  
Oh oh, can you help me?

The storm is breaking  
Or so it seems  
We're too young to reason  
Too grown to dream

Now spring is turning  
Your face to mine  
I can hear your laughter  
I can see your smile

Slave to love  
na na na na, na na na na  
And I can't escape  
I'm a slave to love
