I don't know why I love you like I do  
After the things that you put me through  
You stole my money, my cigarettes  
I haven't see hide nor hair of you yet

I wanna know, won't you tell me?  
I'd really love to stay

Take me to the river  
And wash me down  
She cleans my soul  
Put my feet on the ground

I don't know why you treated me so bad  
After the things we could have had  
Love is emotion that I can't forget  
My sweet sixteen will never regret

Oh wanna know, won't you tell me?  
I'll be in love to stay

Take me to the river  
Hold me, love me  
Please me, tease me  
Till I can, till I can

I don't know why I love you like I do  
After the changes you put me through  
Your sixteen candles right on my wall  
They tell me who made a fool of them all

I wanna know, won't you tell me?  
I'll be in love to stay

Take to the river  
Take me to the river  
Take me to the river

Walk me to the water  
Walk me to the water  
Take me to the river

Just walk me on the water  
Walk me on the water  
Take me to the river  
Take me to the river
