People say I'm the life of the party  
'Cause I tell a joke or two  
Although I might be laughing loud and hearty  
Deep inside I'm blue

So take a good look at my face  
You'll see my smile looks out of place  
If you look closer, it's easy to trace  
The tracks of my tears

I need you, need you  
(Need you, need you)

Since you left me if you see me with another girl  
Seeming like I'm havin' fun  
Although she may be cute, she's just a substitute  
Because you're the only one

So take a good look at my face  
You see my smile looks out of place  
If you look closer, it's easy to trace  
The tracks of my tears

I need you, need you  
(Need you, need you)

(Outside)  
I'm masquerading  
(Inside)  
My hope is fading  
([Incomprehensible])

Oh yeah, since you put me down  
My smile is my makeup  
I wear since my break-up with you

Baby, take a good look at my face  
You'll see my smile looks out of place  
If you look closer, it's easy to trace  
The tracks of my tears

So take a good look at my face

You see my smile looks out of place  
If you look closer, it's easy to trace  
The tracks of my tears
