People say iâ´m the life of the party
Â´cause i tell a joke or two
Although i may be laughinÂ´ loud and hearty
Deep inside iâ´m blue
So take a good look at my face
You'll see my smile looks out of place
If you look closer itâ´s easy to trace
The tracks of my tears
I need you, need you
Since you left me
If you see me with another girl
SeeminÂ´ like iâ´m havinÂ´ fun
Although she may be cute
Sheâ´s just a substitute
Because youâ´re the only one
So take a good look at my face
You see my smile looks out of place
If you look closer itâ´s easy to trace
The tracks of my tears
I need you, need you
Iâ´m masquerading
My hope is fading
Oh yeah, since you put me down
My smile is my makeup
I wear since my break-up with you
Baby take a good look at my face
You'll see my smile looks out of place
If you look closer itâ´s easy to trace
The tracks of my tears
