Here in the hush of evenin'Â´
On a night in june
Overhearin'Â´ conversations
Bayin'Â´ at the moon
Suddenly a voice i'Â´m hearin'Â´s
Sweet to my ear
This is tomorrow'Â´s callin'Â´
Wishin' you were here
Layin'Â´ in my hotel bedroom
Feelin'Â´ ceilin'Â´ blues
Wall to wall a tv'Â´s twitchin'Â´
Clearly not a muse
Then flashin'Â´ through the interference
Beams a thousand tunes
This is tomorrow callin'Â´
What have I to lose?
Truckin'Â´ by the railway station
I'Â´m on the road again
Steerin'Â´ clear of all temptation
Unto the point of pain
When steamin'Â´ through on cue
I hear that wailin'Â´ whistle blow
If this is tomorrow callin'Â´
Oh what a way to go!
Day to day you live old fashioned
Hi-toned, fancy free
A double take, an image-spittin'Â´
Tailored to a t
While history is tellin'Â´ you
The same old thing
This is tomorrow callin'Â´
Let'Â´s stick a new oar in
This is tomorrow callin'Â´
Y'Â´all 'n
Come on in
