Make me a deal and make it straight
All signed and sealed, I'll take it
To Robert E. Lee I'll show it
I hope and pray he don't blow it cause
Weve been around a long time
Just try, try, try tryin' to make the big time

Take me on a roller coaster
Take me for an airplane ride
Take me for a six days wonder, but don't you
Don't you throw my pride aside besides
What's real and make believe
Baby Jane's in Acapulco, we are flyin' down to Rio

Throw me a line, I'm sinking fast
Clutching at straws, can't make it
Havana sound were trying hard edge the hipster jiving
Last picture shows down the drive-in
Youre so sheer, you're so chic
Teenage rebel of the week

Flavours of the mountain steamline
Midnight blue casino floors
Dance the Cha-Cha through 'till sunrise
Open up exclusive doors, oh wow
Just like flamingos look the same
So me and you just we two
Got to search for something new

Far beyond the pale horizon
Some place near the desert strand
Where my Studebaker takes me
That's where I'll make my stand, but wait
Can't you see that holzer mane?
What's her name, Virginia Plain
