Need myself a beer  
Right this minute  
Found myself a can  
But there was nothin' in it  
Oh Miller I wish you were here  
Budweiser king of beers  
Fuck a glass of wine  
Or tanqueray  
Fuck a line of meth  
And fuck your 'ludes  
Clear blue skies  
And back on the cause  
Still a drinker without a cause

3,5 revolution  
Goin' on in my mind  
Grab myself a cold  
From the pack  
Grab myself another  
From the pack  
Grab myself a third  
From the pack  
Grab myself a fourth  
From the pack
