I'm gonna tell you things that I don't like  
I don't like people and not animals  
And ugly mums who's dressed like shit  
Really really fuck me off so

Fuck off fuck off fuck off fuck off

I don't want them in my world my world  
I don't want them in my world so

Fuck off fuck off fuck off fuck off

I like television, rock 'n' roll  
Prostitutes and lots of alchohol  
Pornomagazines, bondage clubs  
Rape someones ass, but the rest can

Fuck off fuck off fuck off fuck off fuck off
