Visit "[Heil Hippie](#)" on [MotoLyrics.com](https://MotoLyrics.com)

Let's go  
To the rock show  
But what's this now  
Not allowed  
To get pissed now  
You're not down  
If your shirt ain't brown  
Hooray for the P.C. gestapo  
Another proxy fascist da capo

Woodstock - throw back  
Third reich - come back

Heil hippie  
Heil hippie  
Aaaaaahhhhh

Don't laugh  
Coz that ain't cool  
You the fun's  
An empirical tool  
Gotta trust the opinion police

To keep everything in check  
And when you trust  
The opinion police  
Aaaarrgghh!

Woodstock - throw back  
Third reich - come back

Heil hippie  
Heil hippie  
Aaaaaahhhhh

Shake hippie, hippie shake  
etc...
