Waste my time!  
Waste my time or blow my mind  
Blow my mind!  
Blow my mind or drink my wine  
Drink my wine!  
Drink my wine or do my lines  
Do my lines!  
Do my lines you friggin' swine

H! F! O! S!

H.F.O.S.  
Mess with us and you be messing with the best  
H.F.O.S.  
Your're fucking with the kings of cuckoo's nest

Electrify!  
Electrify you and your sty  
You and your sty!  
You and your sty must end tonight  
End tonight!

End tonight and we'll testify  
Testify!  
Testify that you were shit!!

H! F! O! S!

H.F.O.S.  
Mess with us and you be messing with the best  
H.F.O.S.  
Your're fucking with the kings of cuckoo's nest  
H.F.O.S.  
Mess with us and you be messing with the best  
H.F.O.S.  
Mess with us and keel over like the rest
