A brand new school is open for you and me
Only open for retards like you and me
A better school, a better choice
A better life for you and me

Move and walk

If you talk that talk or walk that walk
Your brain is possibly as slow as mine
Schoolmates with Henry Fiat, Frank, Don Wanna,
Instead of a Hug

Move and walk

A better school, a better choice
A better life for you and me
Foolmates with Henry Fiat, Frank, Don Wanna, Instead
of a Hug

Move and walk
