So come close I've got a secret to tell
These are the last tears I'll shed for you
These are the last words you'll ever hear
I can honestly say I've never felt this way
Not even at my worst
When hearts are set to burst

Oh
I know you're trying the best you can
So don't tell me that I'm not
But hey, who am I to say?
Just give me all you've got
Now baby just one more

All I knew up
'Til I met you
Has gone away
Now what's left to say
'Cuz we are
What we've always been
So go on
Yeah go on

Let's go!

And I told you the first time
We need to see this through
I won't waste any more lines
I'm saying goodbye to you

When I wake up today
I still feel the same way
Spinning 'round and 'round
'til we're not touching ground

Oh
I know you're trying the best you can
So don't tell me that I'm not
But hey, who am I to say?
Just give me all you've got
Now baby just one more

All I knew up
'Til I met you
Has gone away
What's left to say
'Cuz we are
What we've always been
So go on
Yeah go on

Woh woh, woh oh oh I know
Woh woh, woh oh oh I know
Woh woh, woh oh oh I know that you tried

Woh woh, woh oh oh I know
Woh woh, woh oh oh
So go on
Yeah go on

I knew up
'Til I met you
Has gone away
What's left to say
'Cuz we are
What we've always been
So go on
Yeah go on
