Yeah...

When everything's getting me down  
Oh, yeah, you seem to always be around  
Lift me up and drive my blues away  
Make it feel just like the good old days

I'm closing my eyes and I  
Can feel your rock and roll

I got my hands on the radio, oh, oh  
I got my hands on the radio

Well, I tried the movies  
They made me feel okay, yeah  
It's only you who makes  
The empty go away, yeah, yeah

Electricity through my bones  
Feel it lessen in my headphones  
I need it now  
More than you'll ever know

I got my hands on the radio, yeah  
I got my hands on the radio

The newspaper  
It always leaves me cold  
The TV just don't? to my soul

Yeah, yeah, yeah  
I got my hands on the radio, oh, oh  
I got my hands on the radio  
Make me feel so good

I got my hands on the radio, oh, oh  
I got my hands on the ra  
Hands on the ra, hands on the radio

(Hands on the radio)  
(Hands on the radio)  
Yeah, yeah, yeah, yeah...

(Hands on the radio)
