So how was I to know  
I didn't even have a clue  
Just didn't see it comin no no no  
And I was such a fool  
How could I have been, so blind  
Hey I wont turn my back this time  
Hey baby I'm wrong  
Think I wanna wrap my lovin arms around you  
Hey baby, I'm so wrong  
I can't live without your love  
I tried to hide my fear  
I feel so weak inside  
I try not to lose control  
I turn my eyes away  
My heart begins to pound  
Lord I have never felt this way  
Hey baby I'm wrong  
Think I wanna wrap my lovin arms around you  
Hey baby, I'm so wrong  
I can't live without you  
Hey baby, I'm wrong  
Stupidity put the blind on me  
Hey baby, I'm so wrong  
I'll testify, lord I believe, yeah  
Hey baby  
I can't live without your love  
I'm gonna put my arms around you  
I'm gonna put my arms around you baby  
Gonna kiss and hold you baby  
Just like I told you baby  
I got your lovin right here  
Hey baby I'm wrong  
Think I wanna wrap my lovin arms around you  
Hey baby, I'm so wrong  
I can't live without you  
Hey baby, I'm wrong  
Stupidity put the blind on me  
Hey baby, I'm so wrong, so wrong, so wrong
