I'm in Dreamsville, holding you  
A dreamy view, just we two alone  
If love in Dreamsville, time is new  
We're here to love and we do

We can see the rest of the world  
Below us from our pink cloud

There's no boundary to this magic land  
As we go exploring hand in hand  
In dreamy Dreamsville  
Far away and here we love  
Here we stay

There's no boundary to this magic land  
As we go exploring hand in hand  
In dreamy Dreamsville  
Far away and here we love  
Here we stay
