Easy easy baby
Give me time to think
Time goes tic toc tic ticking on by
I'll still be near

So waht are you rushing for
Ask me 20 times I still don't know
So settle down simmer down hit the ground
Don;t know where I'm going but I'm here now
Rock a bye baby don't say a word
Nobody knows haven't you heard

So won't you give me some time time
Won't you give me some time time
Won't you give me some time time
Give me some time time

3 days gone head left spinning
Try to find the answers hidden on the ceiling
You want me to say what you want to hear
I will still stay cause baby I'm right here
Feet on the ground head in the sky
Who what where when but don't ask the why

So won't you give me some time time
Won't you give me some time time
Won't you give me some time time
Give me some time time

Easy easy baby
Give me time to think
Time goes tic toc tic ticking on by
I'll still be me
So settle down simmer down hit the ground
Don't know where I'm going but I'm here now

Sit on down simmer down hit the ground
Don't know where I'm going but I'm here now
So settle
down simmer down hit the ground
Don't know where I'm going but I'm here
