Don't ask me who I am
Don't ask me where I stand
Don't ask me what's my plan
Cause I don't know

I'm just a planted seed
I'm not where I would like to be
I still got dreams but they're just on hold

Don't ask me to give
Don't ask me to steal
Don't ask me to love
Don't ask me to feel

This life is a haze
Are these years or are these days
Seeing the world while my eyes stay glazed

Waiting to give
Waiting to go
Waiting to live I'm waiting to know
Waiting to roam
Waiting for time
Waiting for home I'm just waiting for mine
Waiting for her
Waiting for sounds
Waiting for words I'm waiting for now
I'm just waiting for now

Don't crowd me to breathe
Don't ask me I can't speak
Don't show me I can't see
So I'll just wait
One day we'll find a nest
One day all our dreams will manifest
One day they say it will all make sense
Or will we die waiting?

Waiting to give
Waiting to go
Waiting to live we're waiting to know
Waiting to roam

Waiting for time
Waiting for home we're all waiting for signs
Waiting for her
Waiting for sounds
Waiting for words I'm waiting for now
I'm just waiting for now
