Ghost Rider motor cycle hero

Baby, baby, baby, baby, he's a blazin' away  
Like the stars, stars, stars in the universe, yeah!

Baby, baby, baby, baby, he's lookin' so cute, yeah!  
Ridin' around in a blue jump suit, yeah!

Baby, baby, baby, baby, he's screamin' the truth!  
America is killin' it's youth!

Cause he is cryin', dyin', chokin', drownin'  
Going to jail, going to jail, going to jail  
I see him dyin'! Dyin'!! Ohhhhhhh

He's ridin' through town with his head on fire  
He's ridin' through town with his head on fire!!

Head on burnin' eyes all tired  
Head on burnin' eyes all tired

Ghost Rider  
Ghost Rider!!

Keep ridin'  
Never stop ridin'

Don't forget to burn, don't forget to burn  
Burn....with fire!! with fire, fire, fire, fire, fire!  
With fire!!!
