Here it is, on the news  
Someone I know is now someone I knew  
I can't believe it happened again

Another mound, another one down  
Hounded by a lie into the ground  
Madness just has got no place to go

So sick of saying goodbye again  
So sick of saying goodbye again  
So sick of saying goodbye again

Rebel in the dirt, what was it worth?  
I'm left with grief and so much hurt  
So much lost, so much pain  
So much sorrow and so much strain

So much anger, so much rage  
No the sadness never fades  
You're gone, I'm left to move on

Seems like I'm saying goodbye again  
Seems like I'm saying goodbye again  
Seems like I'm saying goodbye again  
Seems like I'm saying goodbye

So young, too late, so sad, goodbye  
So young, too late, so sad, goodbye

So young, too late, so sad, goodbye  
So young, too late, so sad, goodbye

Just last week I saw you hanging out  
Who would have known you had two days to live?  
I left town and heard that you did too  
The difference is I can come back, I can come back

So sick of saying goodbye again  
So sick of saying goodbye again  
So sick of saying goodbye again  
So sick of saying goodbye

So young, too late, so sad, goodbye  
So young, too late, so sad, goodbye  
So young, too late, so sad, goodbye  
Goodbye, goodbye, goodbye
