I remember when you told me that you had it all nailed  
down

I remember when you told me that you had it all sewn  
up

You said you'd go all night long

All night long

All night long

You said you'd go all night long

You let yourself down

Let yourself down

You let yourself down again

You let yourself down

Let yourself down

Let yourself down

Let yourself down

Let yourself down

Let yourself down

Hang like hang man, junk like junk yard

Live off girlfriend, say how life's hard

All night long

All night long

You said you'd go all night long

Let yourself down

You let yourself down again

You let yourself down

Let yourself down

Let yourself down

Let yourself down

Let yourself down

Let yourself down

You used to date porno, now you just rent

Do you really wonder where the good times went?

Everyone around you saying you're the man

Now you're standing in the mirror saying I'm the man

All night long

All night long  
You said you'd go all night long  
Let yourself down  
Let yourself down  
You let yourself down again

You let yourself down  
Let yourself down  
Let yourself down  
Let yourself down  
Let yourself down  
Let yourself down
