You always had an eye for things that glittered  
But I was far from being made of gold  
Don't know how but I scraped up the money  
I just never could quite tell you no

Like when you were leaving Amarillo  
Takin' that new job in Tennessee  
I quit mine so we could be together  
I can't forget the way you looked at me

Just to see you smile  
I'd do anything that you wanted me to  
When all is said and done  
I'd never count the cost, it's worth all that's lost  
Just to see you smile

You said time was all you really needed  
So I walked away and let you have your space  
Leaving didn't hurt me near as badly  
As the tears I saw rollin' down your face

And yesterday I knew just what you wanted  
When you came walkin' up to me with him  
So I told you that I was happy for you  
And given the chance, I'd lie again

Just to see you smile  
I'd do anything that you wanted me to  
And all is said and done  
I'd never count the cost, it's worth all that's lost  
Just to see you smile

You said time was all you really needed  
So I walked away and let you have your space  
Leaving didn't hurt me near as badly  
As the tears I saw rollin' down your face

And yesterday I knew just what you wanted  
When you came walkin' up to me with him  
So I told you that I was happy for you  
And given the chance, I'd lie again

Just to see you smile  
I'd do anything that you wanted me to  
And all is said and done  
I'd never count the cost, it's worth all that's lost  
Just to see you smile
