The night we met I knew I needed you so,  
and if I had a chance I'd never let you go  
So won't you say you love me  
I'll make you so proud of me  
We'll make them turn their heads  
every place we go

So won't you please  
Be my, be my baby (be my little baby)  
My one and only baby (say you'll be my darling)  
Be my, be my baby (be my baby now, whoa...)  
Be my, be my baby

I'll make you happy baby, just wait and see  
For every kiss you'll give me, I'll give you three  
For since the day I saw you  
I have been waiting for you  
You know I will adore you  
till eternity

So won't you please  
Be my, be my baby (be my little baby)  
My one and only baby (say you'll be my darling)  
Be my, be my baby (be my baby now, whoa...)  
Be my, be my baby

So won't you please  
Be my, be my baby (be my little baby)  
My one and only baby (say you'll be my darling)  
Be my, be my baby (be my baby now, whoa...)  
Be my, be my baby

Be my, be my baby (be my little baby)  
My one and only baby (say you'll be my darling)  
Be my, be my baby (be my baby now, whoa...)  
Be my, be my baby

Be my, be my baby (be my little baby)  
My one and only baby (say you'll be my darling)  
Be my, be my baby (be my baby now, whoa...)  
Be my, be my baby
