Come on, baby dance wid' me
Come on, baby dance wid' me
Come on, baby dance wid' me
Come on, baby dance wid' me
Now I know that you're not the type of girl
To up and dance and make the crowd jump a-whirl
To twist and shake and make the ice water boil
Dance wid' me baby and I'll make you my girl, singin'
Swing it, swing it, swing it, swing it
And move it, move it, move it, move it,
Push it, push it, push it, push it
And shake it baby like I like it
Come on, baby dance wid' me
Come on, baby dance wid' me
Come on, baby dance wid' me
Come on, baby dance wid' me
Baby, now don't you ever worry
I'll take you out for breakfast
And do the cafe drinks
I drink cappuccino,
I know that you'll drink something
We're off to the dance at the rollerskating rink
I'll give you time to answer, I'll give you time to think
Just as long as we swing it, swing it, swing it, swing it,
Move it, move it, move it, move it,
Push it, push it, push it, push it,
Shake it baby like I like it
Come on, baby dance wid' me
Come on, baby dance wid' me
Come on, baby dance wid' me
Come on, baby dance wid' me
Sweet girl,
I know that you can dance
So baby (sweet baby),
This is your chance, yeah (yeah)
To maybe move and shake (girl),
To maybe jerk and quake (girl)
Right on time, don't be late (girl)
Never mind that cuz you know why (you can dance)
You may not know it but girl (you shouldn't show it)
So come on with me (yeah)

I'll give you such a treat (yeah)
Come on, baby dance wid' me
Come on, baby dance wid' me
Come on, baby dance wid' me
Come on, baby dance wid' me
