Well I think I'm going out of my head
Yes I think I'm going out of my head
over you, over you
I want you to want me
I need you so badly
I can't think of anything but you

You're just too good to be true
can't take my eyes off you
you'd be like heaven to touch
I want to hold you so much
As long as love has arrived
and I thank God I'm alive
you're just too good to be true
Can't take my eyes off of you

Goin' out of my head over you
out of my head over you
Out of my head day and night
Night and day, and night
wrong or right,

I love you baby
and if it's quite all right
I need you baby
to warm a lonely night
I need you baby
trust in me when I say
Oh, pretty baby
don't bring me down, I pray
my pretty baby
Now that I found you, stay
So let me love you, baby
let me love you

I want you to want me
I need you so badly
I can't think of anything but you

Goin' out of my head over you
out of my head over you

Out of my head day and night
Night and day, and night
wrong or right
Night and day, and night
goin' alright
Night and day, and night
And I'm thinking I'm goin' out of my head
