Last night I had the strangest dream
I never dreamed before
I dreamed the world had all agreed
to put an end to war

I dreamed I saw a mighty room
The room was full of men
and the paper they were signing said
they'd never fight again

And when the paper was all signed
and a million copies made
They all joined hands and bowed their heads
and gratefull prayers were prayed

And the people in the streets below
were dancing 'round and 'round
While the swords and guns and uniforms
were scattered on the ground

Last night I had the strangest dream
I never dreamed before
I dreamed the world had all agreed
to put an end to war

Last night I had the strangest dream
I never dreamed before
I dreamed the world had all agreed
to put an end to war
