Why don't you send me some lovin', send it I pray  
How can I love you when you're far away  
Oh, send me your picture, send it my dear  
So I can hold it, pretend you are here

Can't you send me your picture  
So I can feel that touch  
I need you so badly and I love you so much

My days are so long  
My nights are so blue  
I'm here, and I'm lonely  
I'm just waiting for you

Can't you send me your picture  
Oh I still feel that touch  
I need you so badly and I love you so much

My days are so long (my days are so, so long)  
My nights are so blue (my nights are so blue)  
I'm here, and I'm lonely (I'm here, and I'm lonely)  
I'm just waiting for you (I'm just waiting for you)
