Suddenly tomorrow is today
suddenly today is yesterday
Tomorrow is the taxman's day
I don't know what to do
Tomorrow is the day today
when things are going for you

Suddenly tomorrow is today
suddenly today is yesterday
Tomorrow is the taxman's day
I don't know what to do
Tomorrow is the day today
when things are going for you
Suddenly today is yesterday

All I did was fall in love with
best wishes from the stars above me
and the lovely lady was Miss Proud
In Chapter one I kissed her
in Chapter two I missed her
now it's Chapter three and I'm the clown

Suddenly tomorrow is today
suddenly today is yesterday
Tomorrow is the taxman's day
I don't know what to do
Tomorrow is the day today
when things are going for you
Suddenly tomorrow is today

All I did was fall in love with
best wishes from the stars above me
and the lovely lady was Miss Proud
In Chapter one I kissed her
in Chapter two I missed her
now it's Chapter three and I'm the clown

Suddenly tomorrow is today
suddenly today is yesterday
Suddenly tomorrow is today
suddenly today is yesterday

Suddenly tomorrow is today
