They're twistin' in Boston  
Pittsburgh, PA  
Deep in the heart of Texas  
'round 'Frisco bay  
Well all over St. Louis  
down in New Orleans  
All the cats want to dance with  
Sweet little sixteen

Sweet little sixteen  
she just got to have  
'bout a half a million  
Same (framed) autographs  
What to do with (Her wallet's filled) with pictures  
She gets them one by one  
Comes (She gets) so excited  
why don't you look at her run  
well, Mommy, Mommy  
please may I go  
It's such a sight to see  
Somebody steal the show  
Well, Daddy, Daddy  
I beg of you  
(whisper to) Mommy  
it's allright with you

Sweet little sixteen  
She got the grown up blues  
tight dresses and lipstick  
Some money too (she's sportin' high heel shoes)  
but tomorrow morning  
She's gotta change her train? (She'll have to change  
her trend)  
go back to being sixteen  
back to class again

Yeah, they're twistin' in Boston  
Pittsburgh, PA  
Deep in the heart of Texas  
'round 'Frisco bay  
Well all over St. Louis

down in New Orleans  
All the cats want to dance with  
Sweet little sixteen

Oh yeah, sweet, sweet little sixteen  
Sweet, sweet little sixteen  
Sweet, sweet little sixteen  
Sweet, sweet little sixteen  
Sweet, sweet little sixteen  
Sweet, sweet little sixteen
