She walked up to me  
and then she asked me if I wanted to dance  
She looked down at my eyes so I said  
that I might take a chance  
When we danced I held her tight  
When I walked her home that night  
And oh the stars were shining bright  
then she kissed me

Each time I saw her I want to see her again  
I wanted to let her know that  
she was more than a friend  
I didn't know just what to do  
so I whispered I love you  
then she said she loved me too  
and then she kissed me

She kissed me in a way that I never been kissed before  
in a way that I wanna be kissed forever more

Oh, Oh I knew she was mine  
so I gave her all the love that I had  
One day she kissed me and proposed to me  
and finally said  
Can I ask you to be my bride  
Always be right by her side  
She felt so happy she almost cried  
and then she kissed me

She kissed me in a way that I never been kissed before  
in a way that I wanna be kissed forever more

Oh, Oh I knew she was mine  
so I gave her all the love that I had  
One day she kissed me and proposed to me  
and finally said  
Can I ask you to be my bride  
Always be right by my side  
I felt so happy I almost cried  
and then she kissed me  
and then she kissed me

and then she kissed me  
and then she kissed me
