I Fell In Love From The Get Go Start

I Built A Dream In My Own Back Yard  
But I Didn't Know Then  
But I Know Everything

I Took A Cure When When I Knew The Cause  
I Put Faith In Someone That I Shouldn't Of  
It Must Have Been You  
Made Me Open Mesmerised  
The Sun And Moon Just Vapourised  
Well You Left Me Baby Brutalised  
Now Comes Gone And Gotcha Back Again

And I Can't Cry  
I Can't Cry  
Baby Baby  
Naked As The Day  
We Were Born Tellin' Lies  
Well I Feel So Sorry That I can't Cry

Got Caught By Your Own Sweet Trick  
I'd Laugh But The Jokes So Sick  
What Comes Round  
Hits You Like A Stone

Got You're Message And You've Got Some Nerve  
Hope You Get Whatever It Is You Deserve  
And That's Nothing  
Crushed Between The Wheels Of Life  
Faith And Love And Lust Collide  
Well That's A Funny Way To Be Sanctified  
Saying Your Prayers With Your New Best Friends

And I Can't Cry I Can't Cry  
Baby Baby Naked As The Day  
We Were Born Tellin' Lies  
Well I Feel So Sorry That I can't Try

Hey Yeah Hey Yeah Hey Yeah Hey Yeah  
Hey Yeah Hey Yeah Yeah

And I Can't Cry Baby Baby Naked As The Day  
We Were Born And I Can't Cry  
I Can't Cry Baby Baby Naked As The Day  
We Were Born Tellin' Lies  
And I Can't Cry
