Schiller mit Heppner - Leben...I Feel You

I feel you...
In every stone
In every leaf of every tree
you've ever grown
[that you ever might have grown]

I feel you...
In everything
In every river that might flow
In every seed you might have sown

I feel you...
In every vein
In every beating of my heart
Each breath I take
[in every breath I'll ever take]

I feel you...
anyway...
In every tear that I might shed
In every word I've never said

I feel you...
