I was a believer but I'm no better now.
Maybe in the future but I don't see how.
How I can feel like that again,
How I can be what I once was there no we for us my
friend.

The sun ain't gonna shine again,
And I won't wear my smile again.
There is no always and forever there's no such thing as
love.

I once held that feeling but now that feeling is lost.
but I do whatever and whatever cost to feel like that
again.
And to be what I once was, but I guess loves not for me
because that

The sun ain't gonna shine again,
And I won't be alright again.
There won't be no always and forever there's no such
thing as love.

The sun ain't gonna shine again,
And you will be alright again.
There never be always and forever I don't believe in
love.

So I push, I pull, I bend, I break
I push, I pull, I bend, I break
I push, I pull, I bend, I break.

The sun ain't gonna shine again,
And I won't be alright again.
There won't be no always and forever there's no such
thing as love.

The sun ain't gonna shine again,
And you will be alright again.
There never be always and forever you gotta believe in
love.
