First you get it then you lose it  
When you do it's gone for good  
I told you exactly how to use it  
Guess you never really understood  
Say" it's us now and forever!"  
Am I forgiven now?  
Oh,never say never  
But show me how  
If I could  
I'd rather touch myself  
Turn something good  
Into something else  
Oh,into something else  
So I'm the great disappointment  
Well,I'll have to disagree  
Wash of your social motion lotion  
And you'll be just like me  
Oh,I know you are connected  
And I am off the track  
But I've found the great solution  
To bring me back  
And if I could  
I'd rather touch myself  
Turn something so good  
Into something else  
Into something else  
Ooh ooh  
Go  
Into something else
