Some things you better do not say
Some things you better say
Before it's all to late
And what you don't know
Will hurt you anyway
No matter what you do and in whatever way
Mind your manners and what you say
'cause they can not see
What you see in me
I am fire
I'm fire c'mon
Somedays you better stay in bed
Some times you better think
Before you use your head
'cause what you don't know
Will hurt you anyway
No matter what you do
And in what ever way
Mind your manners and what you say
'cause they can not see
What you see in me
I am fire
I'm fire c'mon
