Take you upon me
shoot the conponly
dont screw it up royal

snap it to rayheart
go practice in the yard
shoot them strait truley

wave your weapon so high
shoot them down and wave goodbye
can you see his blood?
now cry goodnight
my boy

fill your gut so full of blood
never thought you could fall in love
lets try and see when you shot one down
you shot down another three

now take home to show me
thats my little boy
thats my little boy

statue of gold for you
thats my little boy
thats my little boy
statue of gems for you
my boy

wave your weapon so high
shoot them down and wave goodbye
see his blood now cry goodnight
my boy

fill your gut so full of blood
never thought you could fall in love
lets try and see when you shot one down
you shot down another three

now all your prey have such good lives
they even have such beautiful wives

can you watch them bleed?
can you watch them bleed and cry?
my boy

now all your prey have such good lives
they even have such beautiful wives
can you watch them bleed?
can you watch them bleed and cry?
my boy

thats my little boy
thats my little boy
thats my little boy
thats my little boy
thats my little...
thats my little...
thats my little boy
thats my little boy
