Everyday seems to be the same  
Not much left to do now  
But you've got secrets to attend  
I haven't got a clue now  
So there is something in my way  
Well let it all out now  
So every day's subject to change  
And you got the know how  
And I don't know what you expect from me  
And I don't know if you will ever feel  
And in a way we're just the same  
Still we're totally different  
When we started to play this game  
I was in a different position  
There are things you'll never know  
And there are rules to follow  
'cause one day you'll catch up on you  
To find you're hollow  
And I don't know what you expect from me  
And I don't know if you will ever feel  
No I don't know what you expect from me  
And I don't know if you will ever feel me
