I think, it's unfair
The only time I go away
Is the only time you care...
I think, tonight
I'll take a drive by your house
Look for you inside the light

You don't see the point
Preparing for the end
You've got all these plans
You put all your friends
Silent Films

I feel, so sad
The only thing you talk about
Is other people making out

You don't see the point
Preparing for the end
You've got all your plans
You put all your friends
Silent Films
