

Her Nightmare

"Touch"

In my dreams
Hands are floating
And I see your face
And I'm not alone
In my dreams
I feel the force
Of the light
And your love supreme
In my dreams
All I can do
Is drift through
The white void of love
And my spirit
My spirit flies
The vision tells me
Love can conquer
T o u c h !
Now, give it to me
Just a little touch - touch
In my dreams
Your breath is in
And your body
Filling me with fire
In my dreams
Your presence stares [Note: I suspect they mean
"presence".]
And the furnace
Burning from within
