"You Turn Me On"

Uh baby this is fire
You turn me on
Your eyes shine in the darkness
Deep down to my warmth
Uh baby let's go higher
You turn me on
And skin burns from desire
When it hits my tongue
But it's one of these mornings
It's one of these nights
One of these mornings
That you want to fight
Uh baby this is fire
You turn me on
And skin burns from desire
When it hits my tongue
Uh baby let's go higher
You turn me on
Your eyes shine in the darkness
Deep down to my warmth
And I've gotta say
That this heat of mine
Is as deep as a wave
I've got to tell you that this is fire
