

Her Space Holiday "Crazy"

Lonely... I wouldn't mind spending all of my time with
Only... You and your bright ideas.

Didn't know I mattered,
Didin't know you cared.
All I ever felt was painful stares.
Didn't know I mattered,
Didin't know you cared.
All I ever felt was painful stares.

Crazy... I wouldn't mind if you spent all of your time with
Only... Me and my bright ideas.

Didn't know I mattered,
Didin't know you cared.
All I ever felt was painful stares.
Didn't know I mattered,
Didin't know you cared.
All I ever felt was painful stares.

Everytime we get there, you get there, smile.
You shot down and come back.
Everytime we get there, you get there, smile.
You shot down the plan.
